

35TH INTERNATIONAL GEOLOGICAL CONGRESS

27 AUGUST - 4 SEPTEMBER 2016 | CAPE TOWN, SOUTH AFRICA

OD PRE 8/OD POST 1 Building Stones of Cape Town

TRIP LEADER: Doug Cole

ITINERARY

Leave Cape Town Convention Centre and walk along Heerengracht Street as far as Cape Town Railway Station, stopping at several buildings and statues along the way. Proceed along Strand Street to Cape Town Castle, the oldest building in Cape Town. Continue across the Parade and along Darling Street and Adderley Street to Cape Town Cathedral, observing several buildings and their stones.

Cross Wale Street to the Bishop Gray Monument, one of the most interesting building structures in Cape Town, and walk the entire length of St George's Mall passing several interesting buildings. Cross Riebeeck Street into Thibault Square to the last stop at the Engen Building.

Proceed back to the Cape Town Convention Centre along Long Street, a distance of 500 metres.

This walking excursion will take about 4 hours and covers a distance of 3 kilometres. Participants are advised to bring rain-proof clothing.

Half-day trip on 28 August and 3 September 2016.

Minimum Persons 4

Maximum Persons 15
